POLICY DEPARTMENTS

The five policy departments are responsible for providing - both in-house and external - high-level independent expertise, analysis and policy advice at the request of committees and other parliamentary bodies. They are closely involved in the work of committees which they support in shaping legislation on and exercising democratic scrutiny over EU policies. Policy departments deliver policy analysis in a wide variety of formats, ranging from studies and in-depth analyses to briefings and the Fact Sheets on the EU.

CONTACTS

Policy Department A - Economic and Scientific Policy

ECON - ENVI - EMPL - IMCO - ITRE - TAX 2 - EMIS - PANA
